The mRNA shots were "designed" to depopulate the planet and allow unelected global elites to assert dominance over those who survived.

GlobalResearch.ca | Peter Koenig

Would you believe, **Michael Nehls, MD, PhD**, molecular geneticist, immunologist, author, and educator, reveals as an insider that the mRNA shots, falsely called vaccines, were from the beginning designed to "destroy humanity".

Subscribe

He claims the injections were part of a plan by the World Economic Forum (WEF), the United Nations and the World Health Organization (WHO), and Big Pharma to massively reduce world population.

One of the few insiders who blows the whistle on the truth.

One may add that among the hidden criminals were and are to this day active, also Big Finance, the Military Industrial Complex, Big IT, and the corrupted mainstream media, that dominate over 90% of western news outlets.

However, Dr. Nehls, a leading expert with inside knowledge of the plot, says the plan may not be realized in time, because the "shots were created as a *ticking time bomb*, that would continue to eliminate the vaccinated for several years after they received the shots".

It would therefore be difficult to identify the cause of death with the covid jabs.

Besides, people who are on the path of dying, or people who know people who have most-likely died due to the shots, will not dare to speak up, either for shame or for fear.

This corner has been "wonderfully" covered by the *plotsters*. Call it – built-in mind-manipulated propaganda.

The delayed genocide-effect was also confirmed by **Dr. Mike Yeadon**, former Vice President, and chief scientist of Pfizer. See this and this and this.

In a recent video, one of the main authors of the Club of Rome's "Limits to Growth" (1972) which planted the seeds for drastic depopulation talks about a 86% reduction of the world population. See *Genocide Promotion – Club of Rome "Limits to Growth" Author*.

According to Dr. Nehls, the plan sought to "conquer the human mind" by destroying most of the human race to eliminate barriers and frontiers that are preventing the globalists from their technocratic take-over through a One World Order and a One World Government.

Dr. Nehls has also studied the effects of the mRNA vaxxes on the brain, and believes it is the way these jabs affect our minds – making people "complacent" – that made governments so eager to push them on their populations.

The "vaxxes" acting on the brain are accompanied by decades of clandestine poisoning of our Mother Earth's air, soil, and water, with micro-chemicals and microscopic heavy metal particles, through chemtrails, chloride and fluoride in the water – and much more.

The average people have no clue. But their brain capacity and emotion-sensitive pineal gland are being gradually diminished and eventually destroyed.

Molecular Geneticist: mRNA Shots Were 'Designed' to 'Destroy Humanity'

Hunter Fielding | NewsAddicts.com

A world-renowned molecular geneticist has blown the whistle to warn the public that Covid mRNA vaccines were "designed" by globalist elites to "destroy humanity."

According to **Dr. Michael Nehls,** the injections were created as part of a plan by the World Economic Forum (WEF), the United Nations (UN), The World Health Organization (WHO), Big Pharma, and globalist world governments.

The plan sought to "conquer the human mind" by destroying most of the human race and breaking down barriers that were preventing the globalist agenda from being ushered in on a global scale.

Nehls, a leading expert with insider knowledge of the plot, warns that the mRNA shots were "designed" to depopulate the planet and allow unelected global elites to assert dominance over those who survived.

However, he notes that the plan is far from being realized as the shots were created to act as a “ticking time bomb” that would continue to eliminate the vaccinated for several years after they received the shots.

This plan, according to Nehls, seeks to reduce the global population in stages to align with the WEF’s **“Net Zero” goals for complying with “Agenda 2030” and “Agenda 2050.”**

Nehls has studied the effects of the mRNA COVID-19 vaccines on the brain extensively and believes it is the way these jabs affect our minds that made governments so eager to push them on their populations.

He recently sat down with Tucker Carlson to discuss his book, ***The Indoctrinated Brain***, and how these vaccines are affecting people’s minds.
